**Weaving Song**

(Note: Counts are not provided for this song since the task of weaving is more of a movement pattern than a rhythmic dance.)

*Over thread and under strand  
 Over time we understand  
 Fibers will combine to be  
 The fabric of community*

*Ancestry and history  
 Cloth to warm us, hold and form us*

*Sun is constant always there  
 Rays of light weave through the air  
 Come on out and sow the seeds  
 Simply we can meet our needs*

*Ancestry and history  
 Cloth to warm us, hold and form us*

*Over thread and under strand  
 Over time we understand  
 Fibers will combine to be  
 The fabric of community*
